

KECK GRADUATE INSTITUTE

# Summer Explore Med

Explore MED is a two-week experiential program comprised of classroom learning, clinical shadowing, and program visits to help students investigate what it means to be "premed".

The program is best geared for undergraduate sophomores and juniors, but it's beneficial for anyone contemplating a career in healthcare. The program also benefits those applying to graduate programs and seeking highly personalized advising and support.

Tuition fee is \$300.

Application requirements include a personal statement, one letter of recommendation (preferably your pre-health advisor), and unofficial transcripts.

**Apply online:** [www.kgi.edu](http://www.kgi.edu)

**Program dates:** July 9-July 20

**Application deadline:** June 22, 2018
