This information is provided in compliance with
The Crime Awareness and Campus Security Act of 1990
replaced the law the former Clery Disclosure of Campus
Security Policy and Crime Statistics Act)
SUMMARY OF THE JEANNE CLERY DISCLOSURE OF CAMPUS SECURITY POLICY AND CAMPUS CRIME STATISTICS ACT

The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act is a federal law that requires all public and private institutions of postsecondary education participating in federal student aid programs, to disclose certain timely and annual information about campus crime and security policies.

Schools must annually publish a report by October 1st that contains three years of on/off campus crime statistics. These statistics must be gathered from campus police or security, local law enforcement, and other school officials who have significant responsibility for campus activities. Professional mental health and religious counselors are exempt from reporting requirements. The report must also contain certain policy statements, including Sexual Assault policies - which assure basic victims’ rights and outline procedures to be followed in Sex Offenses; Weapon, Alcohol and Drug Policies.

Crimes are reported in the following seven major categories:

1. Murder; Negligent and Non-negligent Manslaughter
2. Sex Offenses, including Rapes, Forcible and Non-forcible Sex Offenses
3. Robbery
4. Aggravated Assault
5. Burglary
6. Motor Vehicle Theft
7. Arson

We must also disclose, by geographic location and by category of prejudice, any of the aforementioned offenses, and any other crimes involving bodily injury reported to local police agencies or to a campus security authority, that manifests evidence that the victim was intentionally selected because of the perpetrator’s bias. These categories of bias are: race, gender, religion, sexual orientation, ethnicity, national origin and disability.

Schools are also required to report the following three types of incidents if they result in either an arrest or disciplinary referral:

1. Liquor Law Violations
2. Drug Law Violations
3. Illegal Weapons Possession

Campus crime statistics must be reported by location: On campus (owned, contiguous, educational or student-used); In Dormitories or other student residences (within the on-campus area); Non-campus buildings or property (frats, non-contiguous owned and student-used); and Public Property (streets, sidewalks, lots adjacent to campus).

Schools are also required to provide timely warnings/notices of crimes that pose an on-going threat to students and employees. In addition, a daily log, which records all crimes reported to the campus police or security department must be maintained and open to public inspection during normal business hours. Limited information may be withheld to protect victim confidentiality.

The annual report is to be made available to all currently enrolled students and all employees by October 1 each year. The report must also be provided to any prospective student or prospective employee upon request. The report must be distributed to all current students and employees by one of the following: directly by publications and mailings; by the US Postal Service; by campus mail; email or a combination of these methods. Posting the Annual Campus Safety Report on an Internet or Intranet Web site is also permissible as long as the required recipients are notified and provided the exact (URL) Internet or Intranet web site at which the report is posted.
The Claremont Colleges are a unique consortium of seven independent institutions including: Pomona College, Claremont McKenna College, Pitzer College, Harvey Mudd College, Scripps College, Keck Graduate Institute and the Claremont Graduate University. Each has its own campus, administration, student body, faculty, trustees, curricular emphasis, and distinctive style and mission. They all, however, share the resources and services of a central coordinating body known as the Claremont University Consortium (CUC). Under the auspices of CUC, Campus Safety and 17 other organizations provide support and services to The Claremont Colleges.

**Campus Safety:**

Campus Safety provides a full range of services to The Claremont Colleges community 24 hours a day. Campus Safety is located at 150 E. Eighth Street and can be reached on campus by dialing extension 72000 from any campus phone, or by calling (909) 607-2000 from any phone not on the campus telephone system.

Campus Safety is staffed by 12 full-time uniformed Campus Safety Officers, 6 Dispatchers, 6 Sergeants, an Administrative Assistant, and an Emergency Preparedness Program Manager, and a Director.

Campus Safety officers are unarmed and have no police powers. Their arrest powers are identical to those of a private person, as provided in the California Penal Code section 837. All officers successfully complete and receive certification for the following: guard registration, Chemical Mace, first aid and CPR. Employees undergo continuous education and training to upgrade their skills. Campus Safety is not a police department but is responsible for law enforcement, security, and emergency response at the Colleges. Campus Safety also provides support services tailored to meet the needs of the Colleges including, high visibility patrols to prevent and detect crime, responding to suspicious activity and crime reports, as well as response to: medical emergencies, fire and intrusion alarms, traffic accidents, parking enforcement, and enforcement of college rules and regulations.
Campus Safety works closely and cooperatively with the City of Claremont Police Department. The police are notified immediately and respond to: crimes against persons, violent crimes, major felonies, crimes involving a known or identified suspect, all private persons arrests on campus, and are called when police presence and/or assistance is deemed appropriate. All crime reports initiated by Campus Safety are forwarded to the police for investigation and mandated reporting as required by Uniform Crime Reporting Standards.

In addition, Campus Safety staff assists local fire/paramedic personnel as well as other local and county, state and federal law enforcement agencies when they respond to campus.

**Crime Prevention and Security Recommendations:**

Our crime prevention strategies are based upon the dual concepts of eliminating or minimizing criminal activities whenever possible, and encouraging students and employees to be responsible for their own security and the security of others. The following is a list of ongoing crime prevention programs and projects:

- **Security Alerts:** prepared and distributed either selectively or throughout the campuses if circumstances are warranted.
- **Timely Warnings:** are issued as soon as the pertinent information is available for crimes that pose or may pose a serious or continuing threat to the campus community.
- **Safety Escort Services:** available through student-run escort programs and Campus Safety.
- **Exterior and Interior Emergency Telephones:** linked directly to Campus Safety located throughout the campuses.
- **Electronic Alarm Systems:** a computerized alarm monitoring system connected directly to Campus Safety monitors a comprehensive network of intrusion and fire alarms campus-wide.
- **Facility Surveys:** checks of exterior lighting, doors, windows, hardware, and grounds are conducted by Campus Safety, Campus Maintenance /Facilities staff and Residential Life staff, upon request.

No crime prevention program can be effective without the cooperation, involvement, and personal support of students and employees. Awareness of one's environment and implementation of strategies to reduce or eliminate the opportunity for crime to occur is the best place to start.

**Please use the following suggestions to help safeguard yourself and others:**

- Exterior doors should never be propped open. A propped door puts everyone at risk.
- Dorm doors should be locked at all times even when leaving for a short time.
- Keys should be carried at all times and never loaned to others.
- Exercise good judgment when walking, jogging, or engaged in solitary activity, especially at night.
- Engrave, mark, and/or photograph your property and record serial numbers and property description.
- Consider not bringing expensive jewelry, valuable property, and important keepsakes to campus.
- Purses, backpacks, and other personal property should not be left unattended or unsecured in office buildings, libraries, and other common use areas.
- Parked cars should be locked at all times and valuables should be concealed.
• Become familiar with the location of emergency phones throughout the campuses and use them if you have an emergency or observe criminal or suspicious activity.

• All crimes and suspicious persons should be reported to Campus Safety immediately.

It is most helpful to Campus Safety if you can provide your name, telephone number and location as well as the following information on any crime suspect: physical appearance, clothing, height, weight, coloring, approximate age, sex, scars, or other noticeable features (glasses, facial hair, etc.), and whether or not s/he displayed or threatened a weapon. If a vehicle is involved, please note: last direction of travel, license plate number and state, make and model of the vehicle, color and body type, and other identifying marks (rust, dents, etc.).

You can also report crimes and suspicious activity directly to the police by dialing 9-9-1-1 from a campus phone. You must dial ‘9’ first to get an outside line, then dial 9-1-1 to reach the 911 operator, be prepared to provide THE EXACT BUILDING ADDRESS OF YOUR LOCATION. Police and Fire Departments are only able to respond to building addresses, not building names. If you call 911 from a non-campus phone (cell, etc.), you must give your exact location/building address for a timely response.

Keck Graduate Institute (KGI) is a non-residential campus and is committed to providing a safe and secure environment for all students, employees and visitors. In addition to the services provided by Campus Safety, a number of precautionary measures are in place that are intended to enhance the quality of campus life and to help ensure the safety and security of the community such as:

• Security Alerts are distributed campus-wide in a timely manner to inform the community of crimes or suspected crimes which may threaten the safety of KGI students and employees.

• A special safety/security orientation is provided to new students at the beginning of each academic year.

Security Considerations Used In Maintenance of Campus Facilities:

• Fire, intrusion, and critical mechanical alarms monitored by Campus Safety are installed on all major facilities.

• Regular preventive maintenance and testing is done on all alarm systems.

• Knox (lock) boxes are installed at each campus building, resulting in better key control and improved emergency response.

• Academic and administrative buildings are checked and locked nightly.

• Street lights are inspected regularly. Upgrades or immediate repairs and/or replacements are carried out. Overall, lighting is reviewed annually by representatives of the Dean of Students Office, Campus Facilities and Campus Safety.

• Trees and shrubbery located near buildings and walkways are trimmed on a regular basis.

• Exterior lighting around the campus has been enhanced.

• Bike racks are located on the south side at both the east and west entrance to the 535 Building and the north side of the 517 Building.

• Dedicated Campus Safety Officers are assigned to patrol the campus and respond to calls for service during late afternoon to early morning hours.
**Timely Warning Policy:**

Should members of Keck Graduate Institute believe that there is an increased possibility of physical harm to any member of the KGI Community, they should immediately report that information to Campus Safety at 909-607-2000 (or extension 72000 from an on-campus phone). Campus Safety and the Office of Student Services will make a preliminary investigation of the threat, and notify the appropriate individual of that threat, including what can be done to protect against harm. KGI may use, at its discretion, any of the following communication tools: e-mail, text messages, verbal commands, written documents, airhorns, TV monitors, the KGI website (kgi.edu), and personal communication.

**Alcohol and Drug Policy:**

KGI is concerned with preventing the use of illicit drugs and the abuse of alcohol and increasing student sensitivity to the ways in which substance abuse interferes with the rights and privileges of others.

In accordance with federal and state laws, the unlawful possession, use, or distribution of illicit drugs and alcohol by students on Keck Graduate Institute property or as part of any Keck Graduate Institute activity is a violation of not only the law but of KGI’s regulations. KGI has adopted and implemented the following policy:

a) The use of alcoholic beverages by persons under the age of 21 is prohibited.
b) The sale or furnishing of an alcoholic beverage to anyone under the age of 21 is prohibited.
c) The sale of alcoholic beverages on campus is prohibited.
d) Advertising of alcoholic beverages is prohibited.
e) Alcoholic beverages may be served or consumed only at private events limited to members of the college community and their invited guests (all of legal age).
f) Alcoholic beverages may not be served or consumed in public or at events open to the public.
g) The possession, use, cultivation, sale, or transfer of illicit drugs is prohibited.
h) The possession of drug paraphernalia, including pipes, needles, or other contrivances used in the consumption of illicit drugs, is prohibited.

**Sanctions:**

Keck Graduate Institute will impose sanctions on individuals and organizations which violate this policy. The sanctions will be consistently enforced and penalties will depend on the severity of the offense. Violations will be dealt with by the Office of Student Services. Sanctions for a violation may include, but are not limited to: verbal and written warnings, the completion of an appropriate rehabilitation program, and suspension for the repeat offender. A social event may be closed immediately or other intervention may be taken to correct a violation. Disciplinary action under the KGI Code of Conduct may be invoked entirely apart from any civil or criminal penalties that a student might incur.

More detailed information about each institution's policies, guidelines, and sanctions may be found in the policy or student conduct section of that college’s Student Handbook.

**Assistance for Alcohol Abuse and/or Drug Use Problems:**

Keck Graduate Institute/The Claremont Colleges are committed to education and counseling as the primary focus of their substance abuse programs. Students are urged to seek information and help regarding substance abuse for themselves and their friends. A variety of services including counseling, educational materials, and/or referrals are available at the

**Sexual Assault Policy:**

It is the policy of Keck Graduate Institute to ensure, to the fullest extent possible, that any student, faculty or staff member who is the victim of sexual assault committed on the campus shall receive treatment, support, and information. “Sexual assault” is defined by the Education Code Section 94385 as including rape, forced sodomy, forced oral copulation, rape by a foreign object, sexual battery, or threat of sexual assault.

“Assault” is defined by California Penal Code 240 as an unlawful attempt to apply physical force to the person of another, where at the time of the attempt the person making the attempt had the present ability to apply such force and had the intent to commit an act, the direct and natural probable consequences of which if successfully completed would be the application of physical force upon the person of another. Sexual assault is an assault committed with the specific intent to commit rape, forced sodomy, forced oral copulation, rape by a foreign object, or sexual battery.

“Sexual battery” is defined by California Civil Code Section 1708.5 as committed when a person acts 1) with the intent to cause a harmful or offensive contact with an intimate part of another, or 2) with the intent to cause a harmful or offensive contact with another by use of his or her intimate part, and a sexually offensive contact with that person directly or indirectly results; or a person acts to cause an imminent apprehension of the acts described in category 1 or 2 of this paragraph. “Intimate part” means the sexual organ, anus, groin, or buttocks of any person, or the breast of a female. “Offensive contact” means contact that offends a reasonable sense of personal dignity.

“Sexual battery” is also defined by California Penal Code Section 243.5 as committed when any person touches, against the will of the person touched and for the purposes of sexual arousal, sexual gratification or sexual abuse, an intimate part of another person while that person is unlawfully restrained by the accused or an accomplice. “Touches” means physical contact with the skin of another person whether accomplished directly or through the clothing of the person committing the offense. “Intimate part” means the sexual organ, anus, groin or buttocks of any person and the breast of a female. Implicit in sexual assault is a lack of consent. “Consent” is defined as explicit agreement that an individual is willing to engage in an activity. However, if at any point, an individual indicates in a verbal or nonverbal manner that he or she does not want sexual contact to go any further, then any further interaction takes place without consent. An individual has the right to say that sexual contact should stop at any time regardless of how much sexual contact has already occurred, even if he or she had agreed earlier to more sexual contact. Sexual interaction with individuals who are prevented from resisting because of alcohol, controlled substances, or unconsciousness is sexual interaction without consent.

Keck Graduate Institute will not tolerate sexual assault, whether directed at males or females or whether committed by a stranger or an acquaintance. We have an obligation to address the needs of the sexual assault victim as well as a responsibility to protect the other members of the campus community from potential sexual assaults. Referrals for treatment will be made and ongoing support will be offered to victims. To protect the privacy of the victim, confidentiality regarding the name of the victim will be maintained.

Keck Graduate Institute will make the KGI community aware of any rapes or other sexual assaults by strangers on campus, and will judge the need of reporting acquaintance rapes to the community on a case-by-case basis. We are legally obligated to report to the federal government the number of sexual assaults that occur on campus each year. In the case of a stranger rape, the location of the incident will be made known in order to determine if the area itself is hazardous and
needs attention by Facilities or increased security patrols. If, for reasons of safety, the campus community is to be notified of the occurrence of the assault, the victim will be informed prior to such notification. Members of the KGI community will be notified of assaults or rapes that occur on other Claremont Colleges campuses if that information is received by the Dean of Students or the Director of Human Resources.

The victim or the campus individual first notified should immediately contact the appropriate representative listed below:

Sue Friedman  
Director of Student Services  
535 Watson Drive, Claremont, CA 91711  
(909) 607-0389

What Should You Do If A Sex Offense Occurs?

MAKE SURE YOU ARE OUT OF DANGER. If you need immediate assistance, call Campus Safety right away at extension 7-2000, or contact the Assistant Vice President for Human Resources at extension 7-7853, or the Director of Student Services at 7-0389. You also have the option of calling the police directly by dialing 9-9-1-1 from a campus phone. Assistance is also available 24 hours a day by calling the local Project Sister Rape Crisis Hotline at (909) 626-4357.

GET PROPER MEDICAL ATTENTION for physical injuries and sexually transmitted diseases even though you may not think you need it. Do not shower, bathe, douche or brush your teeth. Medical evidence can be collected. Collecting evidence is the victim's choice and does not mean that he/she must pursue criminal charges; it merely leaves the option open. NOTE: The hospital has an obligation to inform the police and the police will interview the victim at the hospital. It is the victim's choice as to whether or not a police report is taken and criminal charges are pursued against the assailant.

There are several treatment options:

1. Pomona Valley Community Hospital Medical Center Emergency Room at 1798 North Gary Avenue in Pomona, (909) 865-9600.
2. San Antonio Hospital Emergency Room, 999 San Bernardino Road in Upland, (909) 920-4747.
3. The victim can be treated and tested by his/her own health care provider.
4. Eligible employees may wish to contact the Employee Assistance Plan (EAP) which is available through the benefits program by calling Pacific Care Behavioral Health at 1 (800) 234-5465 (a clinical coordinator will assist you). The KGI Human Resources Representative can also assist with this option.
5. Psychological counseling for students is available at Monsour Counseling & Psychological Services, phone: (909) 621-8202.

What Kind of Help is Available?

The KGI Human Resources Representative or the KGI Student Services Representative will assist the victim with information, transportation, resources/referrals, and information regarding criminal prosecution, civil prosecution, the KGI disciplinary process and the availability of mediation for the victim and the alleged assailant if they both are college employees and/or students. The Human Resources Representative or the Student Services Representative will provide information about the status/results of any disciplinary hearings connected with the assault and the results of any such actions to the victim, if the alleged assailant is a member of the KGI/College community.
NOTE: If the victim wishes to remain anonymous, the Human Resources Representative or the Student Services Representative will serve as a consultant to the campus individual who is assisting the victim.

Sexual assault, rape and acquaintance rape prevention presentations, workshops and literature are available through the Health Education Outreach Center (HEO), extension 73602, and Campus Safety, extension 72000.

Other available resources include:

- Project Sister - local rape crisis center & 24 hour crisis hotlines, (909) 626-4357.
- Student Health Services - on campus, available during academic year, extension 18222.
- Monsour Counseling & Psychological Services - on campus, available during academic year, extension 18202.
- Claremont Police Department - 9-9-1-1 or (909) 399-5411.

Sexual conduct which takes place on the campuses of the Claremont Colleges, or which involves student, faculty member, or staff member, must be consensual. Sexual offenses will not be tolerated. It is common to all of the Claremont Colleges that a state of intoxication is not a justification for any conduct violation.

**Intercampus Sexual Assault Policy:**

The definitions, rights, and obligations outlined herein pertain to this statement only, and are not intended to diminish, modify, or abrogate definitions, rights, or obligations set forth in the sexual assault policies of the individual colleges in Claremont.

**Definitions**

1. “Sexual assault” is defined by the California Education Code, Section 94385, as including rape, forced sodomy, forced oral copulation, rape by a foreign object, sexual battery, or threat of sexual assault.
2. Implicit in sexual assault is a lack of consent. "Consent" is defined as agreement that an individual is willing to engage in an activity. At any point, an individual may indicate in a verbal or nonverbal manner that he or she does not want sexual contact to go any further. An individual has the right to say that sexual conduct should stop at any time regardless of how much sexual contact has already occurred, even if he or she had agreed earlier to more sexual contact. Sexual interaction with individuals who are unable to give consent because of alcohol, controlled substances, or unconsciousness is sexual interaction without consent.
3. In this policy statement the phrase "dean of students" will refer to the dean of students or a designee.

**Reporting Procedures:**

1. Charges which involve sexual assault must be filed within twelve months of an alleged incident.
2. Students who suspect that a violation of this sexual offense statement may have occurred should contact a member of the dean of students’ staff at the college where they are enrolled.
3. Students are strongly encouraged to report suspected violations as soon as possible after they have occurred. If alleged criminal conduct is involved, students are strongly encouraged to file charges with local law enforcement officials. Students who wish to file a formal complaint may request assistance from their dean of students.
4. Students who wish to file criminal charges should not shower, change clothes, or douche in order to preserve evidence. The Pomona Valley Community Hospital Emergency Room is equipped with rape kits for the collection of physical evidence. While not required, physical evidence can strengthen a case in both criminal and campus disciplinary proceedings.
5. The dean of students will provide victims with information about criminal prosecution, civil prosecution, college disciplinary procedures, and informal resolution options. Information about possible changes in academic or living arrangements may also be obtained from the dean.

6. Students who wish to have possible misconduct reviewed by a college judiciary board must prepare a written complaint. Assistance in preparing a complaint may be obtained from the dean of students. Discussions with the dean will be treated confidentially, insofar as the law allows. The Claremont Colleges have an obligation to report statistics on rape or sexual assault committed on campus.

**Intercampus Procedures:**

1. The dean of students at the college where the complainant is enrolled will arrange an appointment in a timely manner with the dean of students at the college where the accused is enrolled.

2. The dean of students at the institution where an accused student is enrolled will investigate alleged misconduct with all due haste.

3. The dean of students will notify the president if the accused is a college employee. The college where the accused is employed will investigate, and if warranted, pursue disciplinary action in accordance with institutional procedures, and the remedy imposed will be commensurate with the violation.

4. Different procedures exist for the review of student, faculty, or staff conduct. The dean of students will explain which procedures apply. Informal resolution may be an option with the consent of both the complainant and respondent.

5. A case will be referred to the appropriate hearing body if informal resolution is pursued and a mutually satisfactory conclusion is not reached, or if the conditions of informal resolution are not honored.

**Hearing Procedures:**

1. Members of the Claremont Colleges community who are charged with sexual offenses are subject to the jurisdiction of the institution where they are enrolled or employed.

2. Students (both complainants and respondents) who are parties to college judiciary hearings are entitled to be accompanied by advisors. Advisors may be students, faculty members, or staff members. The number of advisors present at any hearing may not exceed the number allowed by the procedures of the college where the case is being heard. Legal counsel will be allowed to serve as advisors only if the campus procedures where the case is heard so allow.

3. The hearing officer will report the disposition of the case to the respondent, the complainant, and other appropriate college officials no later than three days following the completion of the hearing.

**Evidence:**

Information regarding prior sexual conduct of either the complainant or the respondent will not be considered relevant in a disciplinary hearing. The manner in which a complainant was dressed will not be admitted.

**Sanctions:**

Members of the Claremont community found guilty of violating college policies on sexual assault may be subject to penalties up to and including: expulsion for students and termination for employees.
Educational Programs:

The Claremont Colleges provide ongoing educational programs for students, faculty, and staff in order to promote awareness about rape, sexual harassment, and other sexual offenses. These programs are designed to heighten community awareness and prevent sexual offenses. Programs may vary from college to college.

In order to promote a safe campus environment, individuals who may be in violation of college policies on sexual offenses should be informed about their conduct. They may not be aware that their behavior is sexually offensive, threatening, or hurtful; education may remedy their behavior.

Campus and Community Resources:

Resources that provide assistance to survivors of sexual offenses are available on each campus, through the Central Services, and from the community. They include:

The Campus Sex Crimes Prevention Act (Section 1601 of Public Law 106-386):

This federal law enacted on October 28, 2002 amends the Jeanne Clery Disclosure Campus Security Policy and Campus Crime Statistics Act to require institutions of higher education to issue a statement, in addition to other disclosures required under that Act, advising the campus community where law enforcement agency information provided by the State concerning registered sex offenders may be obtained.

How to obtain Sex Offender Information:

A California Law, Assembly Bill 488, signed by the Governor on September 24, 2004, now provides the public with internet access to detailed information on registered sex offenders. This expanded access allows the public for the first time to use their personal computers to view information on sex offenders required to register with local law enforcement under California’s Megan’s Law. For internet access to registered sex offender information go to: www.meganslaw.ca.gov.

Explosives, Firearms, and Other Weapons Policy:

Possession, use or transportation of firearms or “deadly weapons” is prohibited on the property of Keck Graduate Institute. According to the California State Penal Code, Section 626.9 (b), any person who brings or possesses a firearm upon the grounds of, or within, a private institution is guilty of a felony which is punishable by imprisonment in the state prison for one, two or three years. In addition, the use of firearms in Claremont, Los Angeles County, or in the western portion of San Bernardino County is prohibited by law.

The State law, as well as Keck Graduate Institute policy, prohibits bringing firecrackers or explosive materials of any kind onto any part of the campus or into the buildings. This includes combustibles in containers such as gasoline cans.

Illegal knives, switchblades, and other blades which violate California State Law are prohibited. BB guns, pellet rifles,
and other weapons which propel projectiles are also prohibited and are not allowed on campus.

Violation of this policy by any member of the community will result in confiscation of the weapon and may result in disciplinary action.
**Safety Tips**

**General Safety:**
- Be aware of your surroundings and any sign that something appears to be wrong or out of place.
- Stay in well-lighted areas and walk mid-point between curbs and buildings and away from alleys and bushes when possible.
- At night, work or study only in occupied buildings.
- Don't carry extra credit cards or large sums of money.
- Lock your valuables securely, even in your room.
- Walk with someone whenever possible.
- Do not risk personal injury if someone forcibly attempts to take your wallet, purse or property.
- Do carry a whistle or personal alarm and use it when you feel threatened. The sound won't hurt anybody.
- Keep an inventory of personal property and mark items with your driver's license number and the state.
- Acquaintance Rape happens here. Learn the danger signs. Victims suffer significant life disruption.
- Distance yourself from the misuse of alcohol / drugs; it can be far worse than a bad headache the next morning.
- Do not attach your ID to your key chain or mark your keys with your name and address.
- Get to know your neighbors and share information about suspicious activities.
- Call Campus Safety at extension 72000 in an emergency or to report any crime or suspicious activity.

**Office Safety:**
- When working late, make sure doors are locked. Let someone know of your location and expected departure time.
- NEVER prop doors open, even for a short time. Your action could contribute to incredible harm to yourself or someone else.
- Do not loan your office keys or allow them to be copied.
- Do not hold a door open for a stranger.
- Keep your purse, wallet, or other valuables in a locked cabinet or drawer. Office thieves know where to look.

**Car Safety:**
- Auto theft is a problem nationally as well as on these campuses. Take action to safeguard your vehicle.
- Lock all doors after parking.
- Help secure your car against grand theft / burglary - with an electronic alarm and/or kill switch.
- Keep a copy of your registration, title, and vehicle I.D. number in a safe place separate from your vehicle.
- Store your valuables out of sight.
- If you park your car but don't use it regularly, check on it daily.
- Immediately report thefts, as well as suspicious activity in parking lots or near parked cars, to Campus Safety.

**Bike Safety:**
- State law, as well as county and city ordinances and codes mandate adherence to bicycle “Rules of the road” as well as specific equipment guidelines. Learn the laws for your own safety.
- Ride defensively, with the traffic, and use hand signals.
- Please be considerate of pedestrians and drivers in vehicles.
- You can be given a "ticket" for sidewalk driving, speeding, etc. in Claremont.
- Keep your bike maintained - especially the brakes.
- Register your bike on-line at National Bike Registry [www.bikeregistry.com](http://www.bikeregistry.com/)
- Use a U-LOCK to secure your bicycle frame and wheels to a rack. Bikes locked with cables and small chains are frequently stolen.
- Report suspicious activity or loitering around bike racks. Thieves usually carry a hidden bolt cutter or other cutting tool.
- Do not impede free use of the handicapped ramps or other access points with bikes locked to handrails, etc.
