Pre-Pharmacy Enrichment Summer Program

PrEP

The five-day PrEP program is designed for prospective students interested in a career in pharmacy. Participants will explore the pharmacy profession through interactive classes and activities that will provide an introduction to pharmacy practice. Students will be introduced to the many career opportunities available in the field of pharmacy and exposed to ways pharmacists can impact patients' lives beyond the traditional dispensing role.

Program content includes KGI faculty and alumni talks, roundtable discussions with current PharmD students, compounding and other hands-on activities, clinical skills, emerging pharmacy topics, pharmacy informatics, research projects and presentations, professional development, an introduction to the pharmacy curriculum, and a session with the admissions team.

2022 Dates

- Session #1 (online):..................**June 21-24**
- Session #2 (in-person):............**July 11-15**

Who Should Apply

The program is appropriate for motivated undergraduate students or high school seniors interested in applying to pharmacy school in the future. Eligible applicants include:
