Parking and Traffic Regulations
Governing the Use of Motor Vehicles
**General Safety Tips**

- Be aware of your surroundings and any signs that something appears to be wrong or out of place.
- Stay in well lit areas and walk mid-point between curbs and buildings and away from alleys and bushes when possible.
- Work or study only in occupied buildings at night.
- Don’t carry extra credit cards or large sums of money.
- Do lock your valuables securely, even in your room.
- Walk with someone whenever possible.
- Do not risk personal injury if someone forcibly attempts to take your wallet, purse or property.
- Do carry a whistle or personal alarm and use it when you feel threatened. The sound won’t hurt anybody if it wasn’t that serious.
- Keep an inventory of personal property and mark items with your driver’s license number and the state.
- Acquaintance rape happens here. Learn the danger signs.
- Distance yourself from the misuse of alcohol/drugs: the consequences can be far worse than a bad headache the next morning.
- Do not attach your ID to your key chain or mark your keys with your name and address.
- Get to know your neighbors and share information about suspicious activities.
- Download the Everbridge app (available via the App Store and Google Play) to contact KGI Campus Safety, report crimes, send tips and virtually safe walk around the colleges.
- If you have an emergency on campus call 911
- KGI Campus Safety’s full phone number is 909.607.8736.

**Office Safety**

- When working late, make sure doors are locked. Let someone know of your location and expected departure time.
- Never prop doors open, even for a short time. Your action could contribute to incredible harm to yourself or someone else.
- Do not loan your office keys or allow them to be copied.
- Do not hold a door open for a stranger.
- Keep your purse, wallet, or other valuables in a locked cabinet or drawer. Office thieves know where to look.

**Car Safety**

- Auto theft is a problem nationally as well as on these campuses. Take action to safeguard your vehicle.
- Lock all doors after parking.
- Help secure your car against grand theft/burglary with an electronic alarm and/or kill switch.
- Keep a copy of your registration, title and vehicle I.D. number in a safe place separate from your vehicle.
- Store your valuables out of sight.
- If you park your car but don’t use it regularly, check on it daily.
- Immediately report thefts, as well as suspicious activity in parking lots or near parked cars, to Campus Safety.

**Bike Safety**

State law, as well as county and city ordinances and codes mandates adherence to bicycle rules of the road as well as specific equipment guidelines. Learn the laws for your own safety.

- Ride defensively, with the traffic, and use hand signals.
- Please be considerate of pedestrians and drivers in vehicles.
- You can be given a ticket for sidewalk driving, speeding, etc. in Claremont.
- Keep your bike maintained—especially the brakes.
- Use a U-LOCK to secure your bicycle frame and wheels to a rack. Bikes locked with cables and small chains are stolen frequently.
- Report suspicious activity or loitering around bike racks.
- Thieves usually carry a bolt cutter or other cutting tool.
- Do not impede free use of the handicapped ramps or other access points with bikes locked to handrails, etc.
- Never leave your bike unsecured—even for a moment.
Regulations Governing the Use of Motor Vehicles at KGI

Introduction

- KGI extends the privilege of operating motor vehicles on the campus to all duly registered students and to employees and visitors.
- There is no ticket/citation quota system here at KGI. All parking permit fees and citation fines that are collected become revenue for KGI.
- All motor driven conveyances, whether automobiles, motorcycles, motor scooters, or motor bikes, regardless of size, shape or number of wheels, are defined in these regulations as vehicles. All privately owned vehicles (as opposed to college-owned vehicles) while in operation or parked within the confines of KGI are restricted to the use of regularly designated streets and parking lots.
- The College or the Traffic Appeals Committee of the college, may withdraw motor vehicle privileges from any college employee or student at any time for cause.
- All vehicles parked on KGI’s property must display a valid parking permit or authorized guest parking permit. All vehicles not displaying a valid parking permit are subject to being cited and/or towed.
- All vehicles must be registered with KGI Campus Safety within three days of being on KGI property.
- Student parking permits are valid only on the campus for which they have been issued.

Required Maintenance of Financial Responsibility (CVC Section 16020a)

- “Every driver and every owner of a motor vehicle shall at all times be able to establish financial responsibility specified in CVC Section 16021, and shall at all times carry in the vehicle evidence of the form of financial responsibility in effect for the vehicle.”
- KGI can require everyone registering a vehicle to present evidence that the vehicle is covered by liability and property damage insurance. The minimum amounts of insurance required by California law (CVC Section 16056a) is $15,000 public liability, $30,000 bodily injury, and $5,000 property damage.

Responsibilities

- The person in whose name a vehicle is registered on campus shall at all times be responsible for any citation fines and penalties and any liability or damage claims arising in connection with the possession or operation of the motor vehicle on campus.
- For vehicles not registered at KGI but located on campus, either with or without permission, the primary driver of the vehicle while on campus and/or the registered owner as listed by the State Department of Motor Vehicles, shall be responsible for all fines and penalties incurred and/or any liability or damage claims arising in connection with the possession or operation of the vehicle on campus.
- KGI assumes no legal responsibility for the care or protection of any vehicle or its contents at any time including the time it is in any parking area or the time during which it has been impounded.
Registration Procedures and Requirements

• Student Vehicle Registration fees are $50 per semester. Vehicle registration fees/parking permit fees will be billed to the student’s account. Vehicle registration fees are paid to KGI. No rebate of fees will be made.

• Failure to register your vehicle incurs a fine of $50. There will be an additional fee of $50 for each additional failure to register citation.

• Only one vehicle per student or employee is permitted on campus at a time.

• Any change of license number and/or vehicle shall be reported within three working days to KGI Campus Safety.

• The parking permit issued to a vehicle is valid only for that particular vehicle. Permits are not transferable to another vehicle or person.

• Pedestrians have the right of way.

• All state and local traffic laws are in force at all times on the campus.

Driving Offenses Involving Alcohol or Drugs

CVC section 23152a states “It is unlawful for any person who is under the influence of an alcoholic beverage or any drug or under the combined influence of an alcoholic beverage and any drug to drive a vehicle.” This law is applicable on private and public property. Violation of this law is a major hazard to the safety of the college community and will be treated as such. Persons suspected of driving while under the influence, if encountered by KGI Campus Safety personnel, can be turned over to the police for appropriate roadside test and/or arrest.

Parking Areas and Zones

• Parking lots, parking areas, and designated reserved parking stalls are clearly posted by signs at the entrance or plainly visible near the area. Please observe and comply with these restrictions.

• The Claremont Police Department will ticket overnight parking violators parked on posted city streets from 2 to 6 a.m.

• Students, faculty, and staff are not visitors and will be cited for parking in stalls reserved for visitors.
Students shall not park in lots designated by posted signs as reserved for registered faculty/staff or visitor parking between 7:30 a.m. and 5:30 p.m., Monday through Friday. Students may park in these lots at other times.

Certain designated parking spaces are reserved for staff or college-owned vehicles. Only these vehicles shall be parked in designated reserved spaces. Persons authorized to park their cars in reserved parking spaces shall not delegate this authorization to anyone else.

Removal of Vehicles

The cost of such removal and/or storage will be charged to the person in whose name the vehicle is registered.

Enforcement
Enforcement of these regulations is the responsibility of KGI, who shall assess penalties as described in Section IX. Cases not specifically covered by the regulations shall be reported to the appropriate officer of the department where the offender is enrolled or employed.

Appeals
Citations and withdrawal of privileges may be appealed by the submission of facts and/or matters of extenuation and/or mitigation to the Traffic Appeals Committee. You may appear before the Traffic Appeals Committee in person, if you wish, in addition to your written appeal. Indicate your desire to appear on the appropriate line of the Traffic Citation Appeal Form. If you choose not to appear, the committee will review and rule on the citation based upon the written appeal and KGI's parking and traffic regulations. Decisions reached by the Traffic Appeals Committee are final and binding.

Traffic Appeals Committee
