Guide to Public Transportation

Guide to Public Transportation

KGI is surrounded by restaurants, museums, concert venues, famous neighborhoods, and airports in all directions. Additionally, KGI is only a one-to-two hour drive from beaches, mountains, and deserts for a quick getaway. While Los Angeles is often considered an automobile dense city, there are cheaper and more environmentally friendly ways to travel. Use this guide to learn about how to get around the greater LA area and to find out new places to explore. Please remember to check the public transportation provider's website while planning a trip to make sure that its schedule lines up with yours.
