

**HENRY E. RIGGS SCHOOL OF APPLIED LIFE SCIENCES**

# Postbaccalaureate Premedical Certificate

## PPC

The PPC is a versatile one-year academic enrichment program designed to help students gain a competitive edge for admission to medical school through a rigorous graduate interdisciplinary curriculum of applied life science courses. Students also have the option to complete a master's degree during the glide year when applying to medical schools.

**ADVISING SUPPORT**

Highly individualized support is available to all students to help navigate the medical school admissions process

**CO-CURRICULAR ACTIVITIES**

Designed to prepare students for successful applications with an emphasis on networking, mock interviews, shadowing opportunities, and field trips

**TAILORED CURRICULUM**

The graduate-level courses combine both business and science

### About the Program

The PPC program is highly customized to meet the needs of each student. With just three mandatory courses (medical diagnostics, medical devices, and premedical professional development), students take a highly personalized schedule of classes to become competitive. After completing the certificate, students may apply to AMCAS or AACOMAS and/or pursue employment opportunities in the life sciences industry.

### Career Options

- Medical school (MD/DO)
- Graduate school (PhD)
- Dental school (DDS, DMD)
- Public health (MPH)
- Pharmacy school (PharmD)
