

Presidential Access Scholarship for Incoming Doctor of Pharmacy Students

Presidential Access Scholarships are awarded to top applicants based on Keck Graduate Institute (KGI)'s comprehensive standard selection criteria for admission, and who will be entering the Doctor of Pharmacy (PharmD) program directly from community college.

Recipients receive
\$10,000 x4

\$40,000 TOTAL

Scholarship recipients will receive \$10,000 per year for four years, amounting to a total award of \$40,000. The award money will be divided evenly over four consecutive academic years beginning with the incoming semester; contingent upon the student's enrollment, maintenance of a GPA of 3.0 or higher, and completion of each of the fall and spring semesters through their fourth year.

Award Details

- 5 awards
- \$10,000 per year for four years, amounting to a total award of \$40,000
- Divided evenly over four consecutive academic years beginning with the incoming semester; contingent upon the student's enrollment, maintenance of a GPA of 3.0 or higher, and completion of each of the fall and spring semesters through their fourth year
